# Scare Games

This Monsters University inspired card game is played like ‘war.’ Print 3 copies of page 2 and 3 copies of page 3. Print page 4 on the back of your cards.

Give each player a Scare Games cheat sheet (The last card on page 3.). Deal the cards evenly between the 2 players. Put them in a pile face down. Players flip over their top card and compare them. Use the Scare Games cheat sheet to decide whose card wins the round. That player takes all the cards for that round. If there is a tie, then each player pulls off their next card to compare and the winner of the round takes all of the cards.

James Sullivan “Sulley” is the best (scariest) card to have and Don Carlton is the worst card to have! The person to collect all of the cards is the winner of the game or set a timer and the player with the most cards at the end of the time wins.
