

Directions:

Print and cut out the frosting. Also, print and cut out the numeral cookies.
Count the m&ms on each frosting and match it to the corresponding cookie.

Other ideas:

- *Put the cookies in numerical order.
- *Beginning counters may want to use a dry erase marker to mark the m&ms as they count or set a cheerio on each m&m to mark it.
- *Use the cookies in the Ice Cream Shop.
