Activity-Mom.com

To Prepare:

Print the cards and cut each one out. It may help to print on an off-white piece of card stock so you can't see the color of the heart through the paper.

To Play:

1. Put all of the cards face down on the table and mix them up.
2. Arrange them in rows of 3.
3. The first player flips over 2 cards and keeps them in their spots on the table.
4. It is important to keep them in their spots and to make sure everyone has had a chance to see them.
5. Depending on the age of your child, have them say the name of the colors aloud.
6. If the cards match, that player keeps the match and goes again.
7. If they don't match, that player flips them back over and the next player takes a turn.
8. When all of the matches have been found, the player with the most matches wins.
